universidade de aveiro

WHAT'S NEW?

Catarina Costa – 103696
João Matos - 103182
Luís Carlos Afonso – 104171
Zuzanna Sikorska - 112018

IES 2022/2023

Project Goals

1. Our application was designed to be used by ordinary people.

2. The application tracks news from around the world and allows the user to search by country and topic.

3. The goal is to make finding suitable information as simple as possible.
